

The Truants 2016 Update

NEXT YEAR

Update on Funds Raised!

by Rod Smallwood

Fifth Annual Truants Charity Golf Day

The oversubscribed event raised a fantastic £42,750 bringing total funds raised on the golf to £185,000 ! Congratulations to Mr Michael Hole and his caddies , Tom and Shacky.

Fourth Heavy Metal Truants Ride.

The HMT broke all records for this ride with well over 40 metal maniacs in the saddle and smashing the 100k barrier and coming past the tape at Download Festival this year with £102,000. A great achievement from our Rock God Alex Milas and his team.

TOTAL

These take our total monies donated to our 3 charities since we started in Jan 2010 past that 2 Million mark to a grand total of **£2,116,188**

Truants Website

The Truants website will soon be updated with photos and info on these and we will update the home page and wheels and the 10K Klub.

BIG NEWS

Next week we will announce the destination and dates of the 2017 Truants Ride – and all registration, information, rules....everything, will be done online.

2017

Next year will be our biggest year ever – we are targeting £600,000 for the bike ride, £100,000 again for the HMTs and £50,000 for the golf day – if we can get to £750,000 in a year it will be some achievement, but if we all pull our weight we will. And some of us have a lot of weight to pull (though less we hope by the time of the ride!!)
